

## A Good Stable Holiday Letting Business

### Port Douglas

This Multi Award Winning Motor Inn sets itself apart from the usual management rights business and provides owners with some unique features.

Originally built very much to traditional motel style, the complex offers fully self-contained accommodation which is a strong point of difference appreciated by many travellers today. Without any owner occupiers and all lots in the letting pool, the business has a built-in advantage that enables management to deliver marketing strategies and guest service programs that work very well.

All 22 units in the property have been maintained to a high standard and are fully self-contained with every necessary guest amenity. The business has received industry...
